- Familiarize children with dragon dance, lion dance, and the enchanting zodiac signs.
- Explain to the children how to greet others during Chinese New Year.
- Help children uncover their own zodiac signs, encouraging self-awareness.

Activity Introduction

The activities accomplished more than teaching children about the twelve zodiac signs and offering congratulations. They engaged in fun interactions, symbolizing each zodiac sign to greet teachers, neighbours, and classmates with blessings. This experience allowed children to truly feel the vibrant New Year spirit and grasp the significance of Chinese Lunar New Year culture and traditions.
