Activity introduction

In order to let students know about China's intangible cultural heritage - Cantonese opera, we specially participated in the "The Support Amusement Park" kindergarten Cantonese opera game activity organized by One Table Two Chairs Charity Foundation. It is supervised by Professor Ruan Siu-fai and takes "child-centered" as its core. Through lively and interesting children's plays, students can have a pleasant and meaningful learning experience in Cantonese opera. On that day, Sister Xue, "De's" and "Zhang Zheng" conducted an interactive Cantonese opera workshop. The students learned the "hand-making" of Chinese Cantonese opera to call the "Cantonese opera elves", and also used flags to learn to make different waves.
