**Visited Shing Mun Valley Park**

**Activity Goals**

- To enhance the knowledge of students about the plants in Hong Kong
- Understand the origin of the development of Shing Mun Valley Park
- Improve students' sentiment of caring for nature and public property
- Learn to abide by visiting order and game rules

**Activity Introduction**

Children visited Shing Mun Valley Park for outdoor exploration and picnics. While appreciating the plants in the park, they learned the names of common plants in Hong Kong and the history behind the park's development. After the picnic, the children took the initiative to clean up the admirable place! This outdoor activity could foster children's love for nature and public property. The children had a wonderful time and thoroughly enjoyed this outdoor experience.
