Art and craft -New Year decorations

Activity Goals

- Children can learn about traditional Chinese festivals by creating New Year decorations.
- Enhance the comprehension of Chinese cultural customs among children.
- Encourage children to adopt an environmentally friendly mindset and habits.

Activity Introduction

Through different activities, children can learn many traditional customs with auspicious meanings during the Lunar New Year, such as posting flowers and New Year decorations, which means getting rid of older people welcoming the new and giving good wishes for the new year! Please take this opportunity to write Hui Chun with the children and use eco-friendly red packets to make lanterns and firecrackers, and then post them in the classroom for decoration to add to the New Year atmosphere!
