**Discovery Activity – joyful Chinese New Year**

**Activity Goals**

- Educate children about traditional Chinese New Year foods and activities.
- Improve children's comprehension of Chinese culture.
- Develop the spirit of cooperation in children.

**Activity Introduction**

As the Lunar New Year draws near, children go to supermarkets to buy traditional New Year foods and participate in tasting activities. Additionally, our school invites experienced dragon dance instructors to teach children the art of dragon dance, along with accompanying Chinese musical instruments. This allows children to experience the joy of dragon dance, improve their teamwork skills, and deepen their understanding of Chinese culture.
